

By using our Application, you acknowledge and agree to the practices outlined in this Privacy Policy.

**Personal Information:** When you register and utilize our Application, we may collect specific personal information such as your name, email address, and other contact details.

**Financial Information:** In order to facilitate crypto auto trading, we may require access to your cryptocurrency exchange account(s), including relevant API keys. However, please note that we do not directly store your financial information.

**Usage Data:** We gather information regarding your interactions with the Application, including your trading activity, performance metrics, and preferences.

**Technical Information:** We collect technical information, such as your IP address, device type, operating system, browser details, and related data.

Regarding the collected information:

- **Personal Information:** We utilize your personal information to verify your identity, provide customer support, send important notifications, and keep you informed about updates, promotions, and new features.
- **Financial Information:** Your financial information is solely used to establish a connection between our Application and your cryptocurrency exchange account(s) for the purpose of auto trading.
- **Usage Data:** We analyze usage data to improve the performance and functionality of our Application, enhance the user experience, and develop new features.
- **Technical Information:** We utilize technical information to diagnose and resolve technical issues, ensure the security of the Application, and prevent fraudulent activities.

Regarding data sharing and security:

- We may share your personal information with trusted third-party service providers who assist us in operating, maintaining, and improving the Application. However, such sharing is subject to their compliance with privacy and security obligations.
- We do not sell or disclose your personal information to third parties for marketing purposes.
- We implement industry-standard security measures to protect your personal information from unauthorized access, loss, or misuse. However, it's important to note that no data transmission over the internet or storage system can be guaranteed as 100% secure.

Regarding cookies and tracking technologies:

- We may employ cookies, beacons, and similar tracking technologies to enhance your experience, analyze trends, administer the Application, and track user movements.

- You have the ability to manage your cookie preferences through your browser settings. However, please be aware that disabling cookies may limit certain functionalities of the Application.

Regarding third-party links:

- Our Application may include links to third-party websites or services. Please note that we are not responsible for the privacy practices or content of such websites. We encourage you to review the privacy policies of those third parties before providing any personal information.

Regarding policy updates:

- We reserve the right to update or modify this Privacy Policy at any time. The revised policy will be posted on our website or within the Application, with the revised date indicating the effective date of the changes. By continuing to use the Application after any modifications, you accept the revised Privacy Policy.
